

6. **nature / countryside**

Thousands of ..... lovers head for the national parks every weekend.

I'd rather live in the ..... than in a city.

7. **per cent / percentage**

It is a myth that only ten ..... of Americans hold a passport.

Only a small ..... of land is privately owned.

8. **permission / permit**

I'm afraid we can't ..... photography in the museum.

We received ..... to attend the meeting, as long as we didn't interrupt.

9. **personal / personnel**

My own ..... view is that professional football players are paid far too much.

The company was in trouble until there was a change of ..... on the management team.

10. **possibility / chance**

We might go to Spain for our field trip. Another ..... is that we'll go to Italy instead.

If we act now, we have a good ..... of finding a cure for the disease.
